Family Fun Day is a day to come out and enjoy a day with your family and friends from our community in a safe, alcohol and drug-free environment with food and games.

Weymouth Empowering is a program educating our youth on the effects of drug, alcohol, and tobacco abuse.

Project Graduation is an alcohol and drug-free celebration held on the night of graduation for all graduating seniors.

Natural Helpers is a national based program. Those selected are a cross-section of students identified through an anonymous school-wide survey. Ideally, those chosen are representatives of all the subgroups in the school community.

Community Awareness is a service project designed to raise community awareness of health and/or safety related issues that are of local, state and/or national interest.

Big Brothers Big Sisters is the nation's premiere donor and volunteer supported youth-based mentoring organization.
