BUENA VISTA TOWNSHIP COMMUNITY YARD SALE GUIDELINES AND REGULATIONS

Important: Once your application is received, you will be sent a map showing the location of your block assignment. A township representative will visit each block to register all vendors.

- A \$10 block is as big as you need. However, always respect your neighbor so don't be a "block" hog.
- Set up will be from 7:30am to 9:30am. The event runs from 10:00am to 6:00pm.
NOTE: Participants may leave at any time during the day.
- Drive your vehicle to your block to unload. If using a trailer to transport items, remove it immediately after unloading. You can leave your vehicle at your block but it must be parked behind the showing area for the convenience as well as the safety of the public.
- You must provide your own tables, chairs, tarps and any protective covering. (Ex. umbrella, tent, etc.)
- You are responsible for keeping your block clear of debris. Before you leave at the end of the event, ALL items must be removed and all trash must be collected.
- Electricity is NOT available.
- Do NOT hang clotheslines, string, rope or wire from the trees, lamp posts or poles.
- Prohibited Items: Weapons (guns, knives, grenades, etc.), pornographic and/or sexual material, drugs, cigarettes alcoholic beverages, stolen goods or someone else's property. Violators will be ejected immediately and could be subject to criminal charges, if applicable.
- Bring plenty of change (\$) and bags for your sales.
